

FAST PACK

Valve & Actuator Package Program from Asahi/America

- **One part number:** Valve and actuator packages consolidated in one part number
- **Lots of options:** Choose from a variety of pneumatically- or electrically-actuated Type-21 ball or Type-57P butterfly valves¹
- **In stock:** 600+ pre-built Fast Packs in stock, tested, and ready to ship!
- **No minimum or maximum:** Order as many Fast Packs as you need
- **Quick ship:** Ships within TWO (2) business days²

¹ Series 19 (electric actuator) units are 95-265 VAC. Series 79 (pneumatic actuator) Air-to-Air units are double acting. Series 79 Air-to-Spring units are single acting and fail closed.⁺

PERFECT FOR
BIG JOBS!

² Two-day guarantee only applies if the fast pack order is not included as part of a larger ship-complete order.

⁺ Other configurations (including DC motors) are also available in non-Fast Pack options. Contact us for more details!
